BIOS

Keith P. Seiffert, CPA, CFE | Managing Director

keith.seiffert@parioforensic.com | 314 779 0553

Keith is a seasoned professional with nearly 15 years of experience focusing on insurance and legal solutions. His expertise includes assessing and quantifying insurance losses under a variety of coverage forms and providing expert witness and consulting services for litigious matters. Keith's wealth of experience positions him as a reliable and adept resource in navigating the complexities of insurance and legal challenges. He regularly provides expert accounting evidence for arbitration, mediation, and trial and has provided expert witness testimony in depositions. Keith is a trusted advisor for his clients, offering valuable insights on any kind of forensic accounting matter. Keith is also committed to sharing his expertise through engaging presentations on forensic accounting topics to clients, colleagues, and students.

Randall Wilson, CPA, ABV, CFE, CR.FA, DABFA | Director

randy.wilson@parioforensic.com | 314 909 3148

Randy stands as a pillar in the forensic accounting industry, boasting a career of over 35 years dedicated to serving both insurance and legal clients. His expertise spans a wide spectrum, from lost profits and business income/extra expense to personal injury, employee dishonesty, business valuation, and financial condition analyses. Randy doesn't merely navigate these complex accounting matters, he thrives in them, having extensively testified as an expert witness in both deposition and trial settings. Randy is a dedicated educator, committed to shaping the future of professionals in the field. He has lectured students seeking a master's degree in forensic accounting, presented for numerous client and industry training events, and published articles in both national and international publications, solidifying his reputation as a thought leader in the field.

Rachel Young, CPA, CFE | Manager

rachel.young@parioforensic.com | 314 909 3111

Rachel is a dedicated professional with a focus on providing solutions for insurance and legal clients. She brings her expertise to the analysis and measurement of losses for insurance matters, offering valuable insights. In legal settings, Rachel prepares expert accounting evidence, ensuring clarity and precision. She has provided expert witness testimony in deposition. She also has experience with internal and external audits, internal controls, and compliance testing. Regardless of the nature of the matter, she maintains a meticulous approach, supporting conclusions with sufficient accounting evidence to ensure reliability.

Heather Angus, CPA, CFE | Manager

heather.angus@parioforensic.com | 314 909 3125

Heather specializes in complex analyses for both insurance and legal clients and regularly works on business income and extra expenses claims, employee misappropriation investigations, and preparing accounting evidence for legal matters. With a profound understanding of accounting transaction flow, financial reporting, and accounting documentation, Heather goes beyond mere data analysis. She leverages her sharp analytical skills, keen pattern recognition, and professional skepticism to transform data into actionable insights while maintaining accuracy and reliability.

Kenneth Neumann, CPA | Senior Forensic Specialist

kenneth.neumann@parioforensic.com | 773 655 9863

Ken is a distinguished expert specializing in legal solutions, with a proven track record of testifying in both State and Federal courts for Plaintiffs and Defendants. His extensive testimony experience has established him as a trusted authority in the legal arena. Ken is also an educator in the field having presented training for industry organizations, legal services professionals, and private companies. Additionally, he has authored articles on forensic accounting topics published in both legal and accounting publications.
